

AIR MOVEMENT SOLUTIONS

Standard package:
fan and pedestal

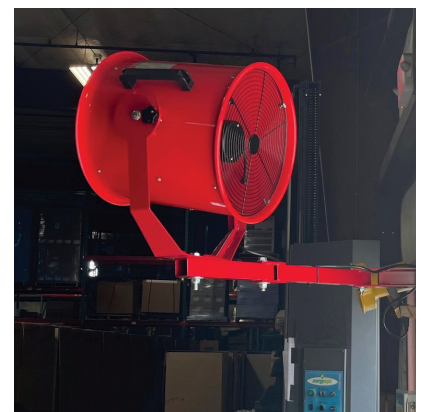

AirBlast

HIGH-PERFORMANCE INDUSTRIAL FAN

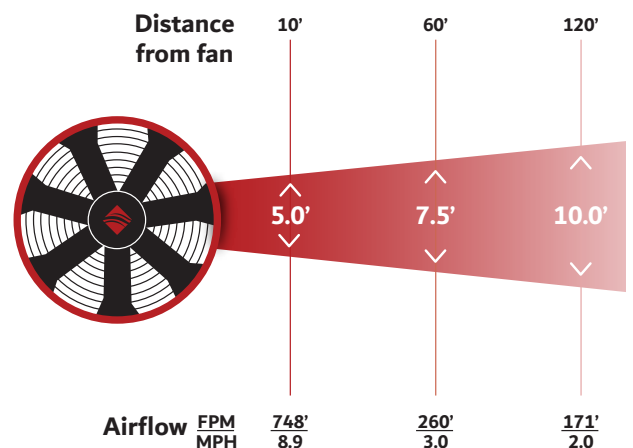

Join the movement...

The AirBlast from Air Movement Solutions brings all the performance you expect in our Industrial Fans, in a smaller size of 16". By once again bringing 'more air' and 'less noise' to your application, Air Movement Solutions is creating cooler work spaces where employee comfort is improved thanks to Air Blast. The pedestal allows for quick and easy maneuvering of the fan to where you need it.

Optional arm mount
